LUMAX

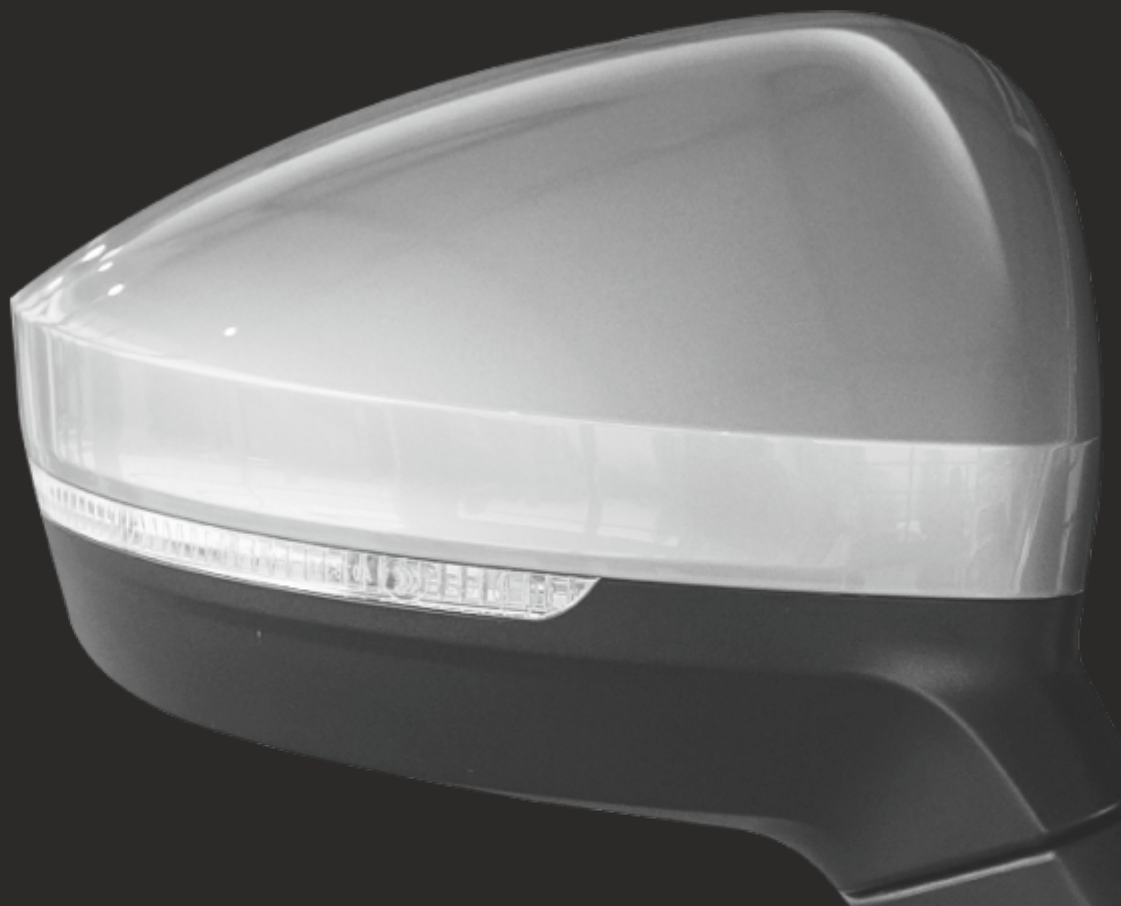

DRIVE WITH CONFIDENCE

LUMAX is a publicly listed company founded by the visionary Late Sh.S.C.Jain. From a modest beginning to soaring heights, Lumax is now a market leader in the Indian Automotive Parts Business. Lumax was started as a trading company in 1945, which today, is a full-capacity provider of premium quality automotive parts for four wheeler, two wheeler and commercial vehicles, catering to automobile manufacturers.

LUMAX endeavor is to raise the bar for ourselves and consistently develop processes for cost effectiveness & increased efficiency in operations. Staying true to the 'customers first' approach, it has a brilliant customer focused management team, working round the clock.

LUMAX today, stands with over 40% market share in Indian Automotive Parts Business, backed up by strong technology collaborators. LUMAX manufacturing units with advanced technologies are producing automotive parts in huge quantities in sync with our customer's requirements & standards, being at par with the world's best plant engineering standards. The state-of-the-art manufacturing plants is located in Kundli (Haryana).
